

Pharmacy Technician – Compounding

Full Time

Mt. Laurel, NJ

Requisition #1446

FLSA Status

Non-exempt

Job Summary

The Compounding Pharmacy Technician (CPT) will work collaboratively with other CPT's to make compounds under the direct supervision of a licensed pharmacist. The qualified CPT must be focused on achieving individual and team productivity goals while maintaining a high level of accuracy.

Essential Duties and Responsibilities include the following. Other duties may be assigned.

- Using our computerized compounding system, weigh and record the chemicals included in the formula and then combine the chemicals into the appropriate dosage form as requested by the prescription, under the supervision of a licensed pharmacist
- Properly use all equipment in the lab that is necessary to make the compound
- Calibrate and ensure the proper documentation of scales, electronic meters, etc.
- Follow all safety and USP guidelines for preparation of compounded medications

Required Education and Experience

- High school diploma or general education degree (GED)
- Compounding, tableting or cGMP experience preferred, but not required
- Must be capable of wearing all protective gear (gown, hair bonnet, mask, gloves, goggles)
- Must be able to follow gowning/garbing procedures (cannot wear makeup, cannot have a beard, must remove jewelry before sterile compounding)
- Must possess strong verbal, written, and oral communication skills
- Must be able to work independently as well as with a team
- Must possess problem-solving skills
- Ability to recognize priorities and take action; make productive use of time
- Must exhibit punctuality and low absenteeism
- Able to sit and/or stand 8-10 hours or more per day as needed
- Ability to lift up to twenty-five (25) pounds on occasion

Eligibility Qualifications

Required upon hire (or within 90 days):

- In-House Technician Certification
- NJ Pharmacy Technician License

Competencies

- Technical Capacity
- Organizational Skills
- Decision Making
- Initiative
- Attention to Detail

Work Environment

This job operates primarily in a controlled laboratory environment. This position requires the use of standard office equipment, and frequent standing and walking.

Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.

- May need to lift up to twenty-five (25) pounds on occasion
- This position is moderately active and requires standing and walking for a majority of the shift.

Position Type and Expected Hours of Work

This is a full-time position. Because of the nature of the business, work schedules may vary at times.

Travel

No travel is expected for this position.

Health & Safety

Stokes Healthcare, Inc. and its subsidiaries will be required to be fully vaccinated as a term and condition of employment to safeguard the health of our employees from the hazard of COVID-19. This policy complies with OSHA's Emergency Temporary Standard on Vaccination and Testing (29 CFR 1910.501).

Disclaimer

The above job description is intended to describe the general nature and level of work being performed by employees assigned to this job. It is not designed to capture or illustrate a comprehensive list of all responsibilities, duties, and skills required of employees assigned to this job.

AAP/EEO Statement
