

Veterinary Florida Office-Use Agreement

The following Agreement must be filled out and signed (one time) for Stokes Pharmacy to ship compounded medications to your veterinary facility to administer.

- Veterinarian(s) will include on a patient's chart, medication order or medication administration record, the lot number and beyond-use date of a compounded preparation administered or dispensed to the patient.
- In the event of a product recall, Stokes Pharmacy will contact the veterinarian(s) so that patients can be notified, if appropriate, and any remaining product can be returned to Stokes Pharmacy or be discarded.
- Veterinarian(s) will assist patients with reporting adverse events in accordance with FDA Guidance for Industry #256 where applicable.
- A pharmacy's compounded drugs will only be administered and may not be dispensed or sold to any other person or entity.
- Each veterinarian within the facility will be made aware of the requirements of this agreement.

Stokes Pharmacy will only accept orders for office use in receipt of a signed copy of this agreement. Note: If your facility has multiple locations, a signed agreement for each location is required.
